

**SRI G. V. GOWDA.**—I wish to know whether the Committee was required to dispose off the sheets at the controlled rates and whether they have refused to give information at what rate the sheets were sold?

**SRI S. NIJALINGAPPA.**—90 per cent of the sheets were sold to the Marketing Society and they must have disposed of.

**SRI SANJEEVANATHA AIKALA.**—One Section of the Congress made allegation against those who were in authority. Zinc sheets were sold at higher prices. Proof should be given that the sheets were not sold at higher rates.

**MR. SPEAKER.**—It is disallowed. Unless the Member gives better and fresh particulars, I am not prepared to accept his supplementary.

**SRI C. J. MUCKANNAPPA.**—Is it through the State Marketing Society or various other Taluka Marketing Societies the Zinc sheets were sold?

**SRI S. NIJALINGAPPA.**—State Marketing Society as I remember.

**SRI S. SIVAPPA.**—Zinc sheet is a controlled commodity. According to the controlled order, these sheets should have been distributed by the authority on certain procedure. Have these rules been relaxed? Is this power of distribution of this controlled sheets delegated to the Congress Organisation?

**SRI S. NIJALINGAPPA.**—I cannot remember the procedure and details. It is a fact they were sold to the Central Marketing Society.

(Some members interrupted and put some questions.)

**MR. SPEAKER.**—I will hold over this question. If any Hon'ble Members want to put questions, they may send them in writing to me and I will consider whether they can be admitted or not. Not more supplementaries need be put now.
